- Becky Fox shared a spreadsheet regarding education with tabs for
 - Formats
 - Groups
 - Topics
- Becky also talked about the use of social media and the Lake Norman Wake App
 - She has gotten commitment from the owner of the App to help us with information that could be added to the app
- Steve Riggan discussed a CG Aux program called “Program Visitor”
 - He will gather a listing of virtual boating safety classes to put on the LNMC web site
- Maschhaupt and Gerke talked about the signs at the boat ramps. While the content is there at all ramps we need to see if the presentation can be improved to make it noticeable.

- Michael Lindsey
 - Has spoken to Duke Energy. While they will not participate on the committee, they will listen to what the committee has to say and possibly provide some assistance.
 - Discussed possible help from Billboard companies
 - Michael will set up a call with them to include Dave and Becky to discuss ways to help
- Becky has a contact with a morning radio host that could provide us with an opportunity for a public service announcement.
- Matt Figaro indicated that he and others do an annual program on the radio with a theme about the lake. He will incorporate the direction of the committee into that program.
- Jarid Church says he can be contact to the Fishing tournament organizers
- Next meeting will be 6 January, 7:00 p.m.
